The Toukley and Districts Art Society has been active in the local Toukley community since 1982 delivering high quality exhibitions and opportunities for the engagement of the community with local artists.

The Toukley Art & Craft Fair by the Lake started simply enough as a small fete, but, has grown into a celebration that has become an established event that attracts both artists, craft practitioners, the local community and tourists to the Central Coast, and has become part of our local identity.

The Society wishes to hold its **7th Annual Arts and Craft Fair by the Lake** as part of the LAKES FESTIVAL on Saturday 5th November from 9.00am to 2.00pm in Wallarah Peace Park, Gorokan. This is located beside Budgewoi Lake and in the park adjacent to the Art Gallery.

The event attracts over 3,000 people, which would add value to The Lakes Festival Calendar.

Potential stall holders please contact the Toukley and District Art Gallery for vendor information and/or entry forms.
