Pat Edwards trained as a florist at Somerset College of Floristry and Horticulture in England, and had many exciting commissions including on board a naval aircraft carrier and a photo shoot for 'Brides' magazine.

Her art gave her a chance to portray her love of flowers in watercolour, and craft has always been a hobby of hers.

**In this workshop you will make cards in the morning session and a Xmas table centre piece in the afternoon.**

Pat will provide everything for the card making in the morning session, but she would like to stress it is very much individual card creations, NOT like scrap booking, where you make cards from cutouts

**Cost: \$20 Workshops are not refundable or transferable. You can organise your own replacement and inform the gallery if you can't make the class.**
