

# One Day Art Workshop @ TADAS

## Watercolour with Pam Horsnell

Pamela is a Sydney-based visual artist, illustrator and art tutor specialising in hand-created techniques. Pamela works in various media but loves the spontaneity and versatility of using watercolours - working in all styles from detailed realism through to abstract.

In this workshop you will learn how to paint in watercolours the wonderfully diverse Australian landscape using an easy, impressionistic style and a limited range of colours. Pam will be providing a wide selection of printed photographic reference from around the country with all its varied colours and features for you to choose from. She'll begin by showing you examples of her own watercolour landscapes and will do a demonstration to show how she approaches this subject to get you started on your journey.
